- Do you want to be inspired by speakers from around the world?

Sign up for the **PMI Sweden Congress** on the 12th and 13th of March 2012 in Malmö and increase your knowledge of project management.

ABOUT THE CONGRESS

On the 12th and 13th of March 2012 PMI Sweden Chapter will host its second annual conference, the PMI Sweden Congress. This year, the conference will be held at the Hilton Hotel in Malmö. PMI is the world's leading organization for people who are interested in professional project management and close to 400 participants are expected to visit the conference to participate in lively seminars, listen to keynote speakers and make connections with project management professionals from around the world. Participants will include project-, program- and portfolio-managers, but there will also be representatives from a large number of industries keen to understand how their businesses can benefit from effective project management. Participatory seminars will run concurrently in English and Swedish. All the keynote speeches and entertainment will be in English.

PASSION FOR PROJECTS

The motto for the Congress is Passion for Projects and these words will be manifested throughout all seminars and activities.
