

PMI SC Volunteer of the year 2014

Ylva Andrews

Ylva is a structured person who has made it possible to handle a lot of volunteers in the Swedish Chapter. She is administrating all new volunteers with all the paper work and all the access rights to the IT resources that the volunteers need access to

Establishing the on-boarding material that was founded at the SLIM-meeting in January 2014 this is now a routine that all new volunteers get when they sign up as volunteers.
